## FOR IMMEDIATE RELEASE

# Home Team Valpo Spring Cleanup Event April 30th

HOMEOWNERS NEEDING ASSISTANCE STRONGLY ENCOURAGED TO APPLY

VALPARAISO, Ind. – While we may not feel or see glimpses of spring just yet, we expect our second season of the year to be upon us before we know it! Home Team Valpo is feeling optimistic about springtime and has begun coordinating its second annual springtime outdoor cleanup event for homeowners who apply for assistance. Spring cleanup day is set for Saturday, April 30th and a rain date of Saturday, May 7th has been set aside. Please apply for our cleanup day this spring by filling out an application at [hometeamvalpo.org](http://hometeamvalpo.org).

Founded in 2020, Home Team Valpo was inspired by Valparaiso city government and several Valparaiso residents. “I am really proud to be part of Home Team Valpo - I believe the work we do is important and helping people achieve safety and comfort in their home is paramount to their success.” said Aaron Ingram, Vice President for Home Team Valpo, Inc. and owner of Valuation Services, Inc. HTV became a nonprofit organization in the spring of 2021. Through the generosity of its many volunteers and partners, Home Team Valpo has been successful in completing many home projects for homeowners in need and have been able to actively maintain homes all through the year.
